## Welcome to the Trade Shows and Exhibitions in Baden-Württemberg

Baden-Württemberg is home to a large number of world-class exhibition centers. These offer facilities of many types and sizes, creating ideal venues for diverse events – from regional shows aimed at consumers, to major exhibitions for entire industries and an international audience. Baden-Württemberg is therefore a great place to stage a trade show – and a great place to do business.

On the basis of the initiative of the Ministry of Economic Affairs Baden-Württemberg and under the umbrella brand "bw-fairs" the nine exhibition cooperations in Baden-Württemberg have been formed for a joint marketing of their fairs and conferences both at home and abroad.

The merger of the exhibition corporations include the Messe Freiburg, Friedrichshafen, Karlsruhe, Mannheim, Offenburg, Sinsheim, Stuttgart, Ulm and Villingen-Schwenningen. They all together offer more than 200 trade fairs and congresses in Baden-Württemberg, both the international high-tech Fair and the regional consumer show.
